

Curriculum Vitae

Last name: Klimiashvili,
First name: Levan
Sex: Male
Marital status: Married, have two children
Date of Birth: January 5, 1949
Place of Birth: Tbilisi
Nationality: Georgian
Citizenship: Georgian

Address: 11 Chavchavadze Av., apt.86, Tbilisi, 0179, Georgia
Phone: (995 32) 223-019 (Home).
Fax: (995 32) 365-350
E-mail: klimlevan@hotmail.com

Current position: Professor, Doctor of Technical Sciences, Chairman of Water Resources Usage, Water Supply and Waste Water. Chair of Georgian Technical University, Member of Scientific Council of Hydro-engineering Faculty of GTU

Education:

1967-1972	Georgian Technical University, Tbilisi, Civil Engineer (Master degree)
1973-1977	Institute of Civil Engineering, Moscow, Water supply engineer (Candidate of Science).
2003	GTU, Tbilisi, Doctor of Science

Professional Activities:

1966-1967	“Tbilikalakproject”, Tbilisi, designer
1972-1973	“Tbilikalakproject”, Tbilisi, Engineer
1977-1979	Georgian Technical University, Tbilisi, chair of Water Supply and Waste Water, engineer-scientist
1979-2000	Georgian Technical University, Tbilisi, chair of Water Supply and Waste Water, Assistant professor
From 2000	Georgian Technical University, Tbilisi, chair of Water Resources Usage Water Supply and Waste Water, chairman
1996-2000	I was a member of the work team of the TEMPUS-TASIS the Engineering Reconstruction Project of the GTU
2003	As the advisor I participated in the Georgia World Bank IBRD Water Supply and Wastewater particularly Infrastructure Consulting Program. (PPIAF) - Contact Person 8001790.
2003-2004	By addressing of the Tbilisi Municipal Government we carried out the expertise of eneral DESO 10 year contract (# TWSSP/LC-001/2002).
2005	I took part in the United Nations Development Program

(UNDP) as the member advisor in the Georgian Office.

	2003-2005	I participated as the expert of discussion of the Mtkvari River basin management issues in Georgia and Southern Caucasus – TESIS and on the alternative of its development, Inc. USAID (CONTACT no. OUT_LAG – I- 804-99-00017-00) and also UNDP/Sipa.
	2004-2007	I participated in the ISTC Project G-725 “Regeneration of Na-Cation Exchangers with Sulphate-Natrium Solution Recycling of Spent Regenerating Solution
Teaching Activities:	From 1979	Georgian Technical University, Tbilisi, chair of Water Supply and Waste Water. Courses: “Water Supply”, “Engineering Equipment of Buildings and Constructions”, “Reliability of Water supply and Waste Water Systems” “Water ecology”
	From 2006	Professor of the Georgian Technical University, Department of Water Resources Usage Water Supply and Waste Water, Tbilisi.
Teaching Activities in Professional Education:	2005-2006	“Tbiltskalkanali Ltd” (Tbilisi Water Supply Company) - Workshops for Professional Education of employee: “The Plumbing equipment of Buildings”
	2006	Batumi State University, Faculty of Civil Engineering - Workshop for Teachers: “The Plumbing equipment of Buildings”
	2006-2007	“Tbiltskalkanali Ltd” (Tbilisi Water Supply Company) - Workshops for Professional Education of employee: “Water Supply and Waste Water Systems”
	2007	Batumi State University, Faculty of Civil Engineering - Workshop for Teachers: “Water Supply and Waste Water Systems”
Managing positions:	1987-1990	Chairmen of Georgian Technical University Commission
	1990-1991	Vice-Manager of Civil Engineering of Georgian Technical University
	From 1994	Vice-Director of Education-Methodical Department of Georgian Technical University
	From 2003	Vice-Director of State Consulting Commission of Water Resources Usage and Management
	From 2002	Head of Manufacturing Support Center
Membership of International Scientific Committees and Working Group:	From 2003	IAHR (International Association of Hydraulic Research)
	From 2004	Sigma Xi
	1996-2000	Member of TEMPUS-TESIS program of Reconstruction of Engineering Education of Georgian Technical University

from 2005 Georgian Engineering Academy

Certificates 2007 May USAID Training Seminar: “Implementing Outcomes Assessment: An Approach Based on Competencies” – Trainer’s certificate, Tbilisi, Georgia.
2007 Mar USAID Training Seminar: “Assessment for Learning and Curriculum Design” - Trainer’s certificate, Tbilisi, Georgia.
2006 Oct US Embassy Project Seminar: “To Improve Teaching and Learning in Community Colleges” – Trainer’s certificate, Tbilisi, Georgia

Awards: 2003 Honor Award of Georgia

Publications: 80 Scientific publications (2 monographs and 2 guides), 4 inventions and 2 patents

Foreign Languages: Russian (fluently), English (fluently)

Hobby: Swimming
